NOTES TO THE ABOVE

The above condensed audited financial statements for the year ended 30 June 2022 have been prepared on the same basis as the accounting policies set out in the statutory financial statements of the group/company and are in compliance with International Financial Reporting Standards (IFRS). They are issued pursuant to DEM Rule 18 and the Securities Act

RESULTS AND PROSPECTS

The improved performance of Mauritian operations during this financial year is explained by increased export sales. Overseas operations performed well during this financial year with increased sales volumes and improved margins as

Prices of commodities on the international market remain very volatile. Notwithstanding any material inflationary pressures on the cost of production, the group is expected to perform satisfactorily for the half-year to December 31, 2022.
