International Expansion

In August 2024, PBL increased its ownership in African Originals Limited (AOL) by acquiring an additional stake, raising its total holding to 31.86% from 28.15%. PBL is expected to further increase its shareholding by December 2024. These new cash injections into AOL will enhance the company's growth potential, providing a stronger foundation for expanding operations and capitalising on new opportunities in the Kenyan market.

Outlook

OutlookMauritius experienced positive economic growth during 2023/24, a trend that is expected to continue. The Group remains vigilant in monitoring external factors that could impact its supply chain, and has initiated its two-year investment plan to enhance its production capacity and efficiency. This plan aims to support the Group's expansion both within Mauritius and internationally.
